

# Wedding Prep Guide

## *Services and Pricing*

---

- **Initial Consultation:** Meet with the couple to understand their wedding vision, preferences, and key expectations for the big day.
- **Budget Creation:** Help create an initial wedding budget, offering guidance on how to allocate funds for various wedding elements (venue, vendors, décor, etc.).
- **Vendor & Venue Assistance:** Provide recommendations for trusted vendors and venues based on the couple's vision, preferences, and budget. Assist with narrowing down options and setting up initial meetings.
- **Vendor and Venue Research:** Help with the research and vetting process for vendors (photographers, florists, caterers, etc.) and venues, ensuring compatibility with the couple's needs.
- **Planning Meeting:** Organize and lead planning meetings to discuss key details, offer advice, and answer any questions the couple has at various stages of the planning process.
- **Timeline Creation:** Guide the couple in creating a wedding planning timeline, helping to prioritize tasks and set deadlines for each phase of the planning process.
- **Answering Questions:** Provides support by answering any questions the couple has related to wedding traditions, etiquette, budgeting, or logistics.
- **Check-In Meeting:** Schedule follow-up meetings to track progress, address any changes, and ensure everything stays on schedule. Offer support in making adjustments to the plan as needed.
- **Vendor & Venue Contracts:** Provide guidance on reviewing and understanding contracts for vendors and venues, ensuring all details are clear and in line with expectations.
- **Logistics Guidance:** Offer advice on the logistics of the day, such as the ceremony flow, reception structure, guest seating, and coordination between vendors.

Starting at \$125
